The Welcome Center

WORKING AND LIVING IN HEILBRONN-FRANKEN

International skilled workers strengthen the regional economy and contribute to the global interconnectedness of the companies. The Welcome Center is pleased to welcome international skilled workers to the region and supports companies doing the same. This way skilled workers can be won for the region and integrated into the labor market.

„We see ourselves as a guide when arriving here. We offer orientation and show perspectives in Germany.“

INFORMATION AND INDIVIDUAL COUNSELING

The Welcome Center pools information and connects to the relevant contact person in the Heilbronn-Franken region. The individual counseling helps internationals to get started in the region and companies receive focused information on the acquisition and integration of international employees.
