

# Welcome Center

Heilbronn-Franken

WORKING AND LIVING IN HEILBRONN-FRANKEN

INFORMATION ON THE RECRUITMENT AND  
INTEGRATION OF INTERNATIONAL SKILLED WORKERS

## TARGET GROUPS

- International skilled workers and their families
- Regional small and medium-sized companies that (want to) employ foreign skilled workers

... in the Heilbronn-Franken region

## THE WELCOME CENTER

The influx of international skilled workers is a key factor for securing a sustainable base of skilled workers in the face of demographic change. The Welcome Center Heilbronn-Franken therefore aims to attract skilled workers to our region and integrate them in the long run.

We welcome international skilled workers in our region and support companies that want to do the same.

The Welcome Center is keen to play a part in increasing international awareness of the region as an attractive place to live and work and promoting an open welcoming culture in the region.

The Welcome Center acts as an interface to different institutions, authorities and organisations in the region of Heilbronn-Franken under the umbrella of Wirtschaftsregion Heilbronn-Franken GmbH in order to utilise existing structures.

## SUPPORT SERVICES

- Assistance with the recruitment and integration of international skilled workers
- Information concerning conditions of entry and residence for skilled workers from abroad
- Information about learning the language and the recognition of foreign professional qualifications
- Pilot function with the orientation of recently immigrated skilled workers and their families in the region with regard to everyday questions about living, housing, education and work
- Mediation and raising awareness of intercultural expertise
- Enhancing the region's image and marketing it abroad as a potential place to work

The pooling of information in this one single establishment makes it possible to provide individual, tailor-made initial advice that is passed on to the relevant point of contact or the right network partner in the region.

Supported by the Ministry of  
Finance and Economic Affairs  
Baden-Württemberg.
